Wasmer Schroeder Appoints New President

May 31, 2019 (Naples, FL) - Wasmer Schroeder announces the appointment of Justin S. Land, CFA as President, effective June 1, 2019. In his expanded position Land succeeds Michael Schroeder, who has served as President of Wasmer Schroeder since 2005. Schroeder will continue in his role as Chief Risk Officer and will focus on the macro issues facing investment management firms and their clients in this challenging environment.

Land has been with the firm since 1997 and has served in a number of roles including Portfolio Manager, Director of Tax Exempt Management, and for the past two years, Chief Municipal Strategist. He will continue to lead the firm's Municipal Credit Research team. Land has held leadership roles in a number of industry organizations, including past President of the CFA Society of Naples and Chair of the 2019 Municipal Bond Buyers Conference.

Martin Wasmer, Chief Executive Officer, commented, "Justin's promotion today is part of our long-range planning and will likely come as no surprise to those that follow Wasmer Schroeder closely. Justin will remain focused on our investment management processes with a particular emphasis on credit research. We are excited about the future as we continue to focus on the best ways to serve investors and their advisors."

Wasmer continued "I am so grateful for the partnership that Michael and I have enjoyed for the past 30 years. Together, along with our dedicated and talented team members, we have built Wasmer Schroeder into an enduring, innovative, client-focused investment management firm.

Per Michael Schroeder, "Justin has been with us almost since the beginning of the firm, he is uniquely qualified to help lead us into the future and is deserving of this leadership role. As I transition to the next stage of my career, I feel fortunate that we've built such a strong management team."
